

Choice

Flu Vaccinations, LLC

Choice Flu Vaccinations, LLC will be hosting clinics in your physician's office for **all patients and family members** to administer seasonal Influenza vaccinations. We will be offering Quadrivalent (Four Strain) Influenza Vaccine for **\$35** for anyone 6 months of age and older.

Per CDC recommendation, the FluMist® nasal vaccine will not be offered this season.

If your child is under 9 years of age and has not had two Influenza vaccines before July 2017, it is recommended by the CDC that they receive a booster dose of the vaccine in the same flu season. There will be a charge for both the initial and booster vaccinations.

Choice Flu Vaccinations, LLC is considered an out-of-network provider with all insurance carriers. We do not bill any insurance companies for Influenza vaccinations but can provide you with the documentation needed to submit to your insurance carrier for possible reimbursement. For additional information please call your insurance company prior to receiving the vaccination.
